

3.4.2 Number of awards and recognition received for extension activities from Government/ recognized bodies during the last five years

Bapatla Women's Engineering College was established in the year 2009. The main aim was to provide an opportunity to the local and rural students of this area especially the girl's students to pursue the higher education for their economically development and progress of the family and also about learning to interact with other people, being aware of social, environmental and inequities in the society.

Bapatla Women's Engineering College has carried out various extension activities outside the campus – in and around Bapatla city and has received various rewards and appreciation letters from government and non-government agencies. The students of the institution with the support of faculty members have carried out various activities.

One of the faculty of our college is nominated as District Programme Officer under the jurisdiction of Acharya Nagarjuna University to assist the coordinator / Assistant coordinator to organize the NSS activities in Bapatla.

The overview of the extension activities conducted by the NCC/NSS unit of the institution for which recognition are extended is explained in brief:

The students are actively participated in various surveys in villages and conducted different awareness programs regarding health and environmental safety. The unit also organized blood donation programs, tree plantation programs, village cleanliness programs etc...

The letters of Appreciation/Awards/Recognitions received the institution from various Government and Private Recognized bodies is given below:

- Indian Red Cross Society, Bapatla
- Acharya Nagarjuna University, Guntur
- Rejoice Physiotherapy and Obesity Clinic, Bapatla
- UPHC, Bapatla
- VINS Hospital, Bapatla
- NCC Officers Training Academy

DO LETTER TO ANOS

My Dear Associate NCC Officer Oguri Sreedevi,

1. I am writing this letter to congratulate you for the pride that is imparted to you through the Khakhi uniform. The civic society views the Khakhi as the symbol as a protector, saviour and a responsible individual. You in addition to being a Guru, Margadarshak have chosen to lead the students from being in the uniform. I congratulate you for your decision.
2. Always remember. A teacher teaches, an ANO inspires. Every child looks upto you as the Aadarsha: An ideal in life. It is a great responsibility. I do not remember at the age of 52 any of my High School teacher. But my ANO in high school, his memories are intact. I can visualise even today his image, his actions and his mannerisms. Similar is the case with my ANO in my college life. Such is the impact an ANO leaves in the minds of students.
3. The impressions made by you, the paths shown by you and the guidance given by you goes a long way in the lives of children. I am confident that you will discharge your duties with full responsibility filled with high spirits.
4. We in the green uniform have come to serve your state. You and your children. We are apolitical, we have patriotism as our religion and we are known for selfless service. Utilise our presence, our experience, our skill sets. Invest your potential to the best of your abilities in shaping up the personalities of you and your children. We have a great commitment towards shaping the personalities of you and your children. Dedicate time, focus energy towards our efforts.
5. NCC syllabus is not an academic one. It has life skills, soft skills and everything that is needed to survive, strive and excel in life. If learnt in right earnest, it will take you a long way in your lives.
6. The commanding officer is the father of the battalion and I in the capacity of Group Commander stand as the Pitamaha in the heirarchy. I assure you my full support to all your earnest activities and in organising your development as a fine officer. Stay with me, lead me or follow me in whatever capacity you can.

With Fond Regards

Yours Sincerely
