

Bapatla Women's Engineering College :: Bapatla

Sponsored by Bapatla Education Society

Approved by AICTE-New Delhi, Affiliated to Acharya Nagarjuna University

An ISO 9001:2015 Certified Institution

Policy for Students' Scholarships and Free ships Provided by the Institution

This document outlines the policy for the provision of scholarships and free ships to students at **Bapatla Women's Engineering College**. The policy aims to support the academic and personal development of students by offering financial assistance to deserving candidates. Through this initiative, **BWEC** commits to fostering an environment of excellence, diversity, and inclusivity.

Objective: To alleviate financial barriers for capable students who wish to pursue their education at Bapatla Women's Engineering College.

Scope: This policy is applied to all the B-category students of Bapatla Women's Engineering College enrolled in undergraduate professional program.

Procedure for sanctioning the scholarship: The standardized procedure for the sanctioning of scholarships within the institute is as follows. The process ensures fairness, transparency, and timeliness in awarding financial aid to deserving students.

1. **Application Process:** Applicants must submit the application form along with the relevant documents in the 3rd semester of their undergraduate course in every academic year.
2. **Selection Process:** A Scholarship Committee, comprising Head of the Departments (HOD's) and administrative staff, will review applications. Selections will be based on a comprehensive evaluation of the eligibility criteria, supporting documents.
3. **Awarding & Distribution:** The number of scholarships/free ships with an amount of Rs. 10,000/- will be communicated to recipients at the time of the award and the funds are distributed to the applied student directly.
4. **Responsibilities & Administration:** The Financial Aid Office at the institute is responsible for the administration of scholarships and free ships, including the dissemination of information, application processing, and coordination with the Scholarship Committee.
