## CIRCULAR

It is to inform that department of Electronics and Communication Engineering is going to organize a Three Days Online Faculty Development Program (FDP) on "RESEARCH TRENDS IN VLSI, COMMUNICATIONS & SIGNAL PROCESSING" from 8<sup>th</sup> JULY to 10<sup>th</sup> JULY 2021. Hence, All the Faculty members are requested to register and attend the program without fail. The FDP will be delivered by Eminent Speakers.

**Venue:** G Meet Platform

**Note:** The program Schedule and Brochure are enclosed.

**Convener:** Mrs. E. Suneetha

Assistant Professor,

Department of ECE

Ph. No.:8463931981.

Mail\_Id: [emmela.suneetha@gmail.com](mailto:emmela.suneetha@gmail.com)

## About the Department

The Department of Electronics and Communication Engineering was established in the year 2009. The department has a number of well-equipped laboratories and provides extent facilities for learning. The department periodically conducts workshops, seminars for both staff and students. The existing department is having state-of-the-art laboratories to gain good knowledge in the field of Electronics, Communication, Microwave, VLSI, DSP, Image Processing, and Micro Processors & Micro Controllers.

## Department Vision

To produce highly professional and socially responsible women engineers through world class quality technical education and research to meet industry needs in the field of Electronics and Communication Engineering.

## Department Mission

- To inculcate quality education for women through innovative learning practices with the use of modern tools.
- To impart professional ethics and moral values through co-curricular and Extra-curricular activities as individual and team member.
- Empowering students through industrial trainings/on-job training in collaboration with industries with-a-view to life-long learning.

## FDP Organizing Committee

Sri M. Nageswara Rao, Secretary, Bapatla Education Society  
Sri P. Bhavanarayana Chowdary, Joint Secretary &  
Correspondent  
Dr. K. Gowri, Principal In-charge, BWEC

## Registration Details

Free Registration and e-Certificate will be issued to all the participants.

Registration Link: <https://forms.gie/mwzzUPnqup593nqsd7>

## About the College

Bapatla Women's Engineering College established in the year 2009, exclusively for women with the approval of government of Andhra Pradesh AICTE and affiliated to Acharya Nagarjuna University, Guntur. The college started its journey with the vision of "Upliftment of the status of women through quality education" and has since committed itself to provide education at an affordable cost to the girls and women in various technical courses, encompassing the facilities of the state-of-art laboratories. The college stands as an inspiration of knowledge for the future women leaders of the nation.

## College Vision

BWEC has been established with forethought to organize the growing needs of higher technical education for WOMEN, in order to provide them a competitive edge and a unique niche in the society. We at BWEC are determined to create a conducive environment with updated technological inputs and latest information to facilitate the students with a pleasant feel in acquiring knowledge and skills required to make them globally competitive technocrats.

## College Mission

Our mission is to impart the quality education on par with global standards to the students from all over India and in particular those from local and rural areas. We continuously try to maintain high standards so as to make them technologically competent and ethically strong individuals who shall be able to improve the quality of life and economy of our country.

## Contact Details

**Dr. Vineeth Palliyembil**  
Asst. Prof, Amrita Vishwa  
Vidhyapeetham, Coimbatore  
**Topic: Performance Analysis of  
Optical Wireless Communication  
Systems**  
**Schedule: 10-07-2021**  
**10:00 – 11:00am Forenoon**

Dr. Vineeth Palliyembil received his B.Tech degree in ECE from NIT, Calicut, Kerala and M.Tech degree in communication systems from NIT, Tiruchirappalli. He also received his PhD degree in Free space optical Communication from NIT, Tiruchirappalli. His research interests include Optical, Wireless Communication, Free Space Optical Communication & Wireless Communication.

**Dr. Pradeep Narayanan**  
Assistant Professor, Grade – I  
VIT University, Vellore  
**Topic: IoT based health  
monitoring systems**  
**Schedule: 10-07-2021**  
**02:00 – 03:00pm**  
**Afternoon**

Dr. Pradeep Narayanan received his B.Tech degree in ECE and M.Tech degree in Nano Science & Technology from Anna University. He received his PhD degree in Biomedical Micro Electro Mechanical Systems from NIT, Tiruchirappalli. His research interests include Nanotechnology, Nanomaterials, Li-ion Batteries, BioMEMS, Micro, and Nanoscale device fabrication, Internet of Things (IoT). Currently, he is working at VIT University and associates with his research group to enhance his IoT vision to serve

**Dr. R. Sanjay**  
Asst Prof, VIT University, Vellore  
**Topic: Low-Noise Low-Power Area-  
Efficient Front-end Circuits for  
Biomedical Sensor Interfaces**  
**Schedule: 09-07-2021**  
**10:00 – 11:00am Forenoon**

Dr. R. Sanjay received his Ph.D. from NIT Tiruchirappalli and M.Tech. in VLSI Design from VIT University, Vellore. He worked as an Application Engineer in India for a period of 3 years. Presently, he is working as Assistant Professor in School of Electronics Engineering, Vellore Institute of Technology (VIT) University, Vellore, India. His research interests include the Design of Low Power Analog Front-end circuits for Biomedical applications.

**Dr. Hariharan Subramaniyam**  
Assoc. Prof, VIT University, Vellore  
**Topic: Orthogonal Time Frequency  
Space (OTFS) Modulation**  
**Schedule: 09-07-2021**  
**02:00 – 03:00pm Afternoon**

Dr. Hariharan Subramaniyam received his B.Tech degree in ECE from Salem, Tamilnadu and M.Tech degree in communication systems from Anna University, Chennai. He also received his PhD degree in Wireless Communication and Networking from NIT, Tiruchirappalli. He had industrial experience with AIRCEL and Reliance as Deployment Engineer and Infrastructure Engineer. He also received a Scholarship of CAD \$10,000 in 2011 under *Graduate Students Exchange Program, Canada*. Currently he is working as an Associate Professor in the Dept of ECE, VIT University, Vellore.

## Resource Persons

**Dr. Pravaranjan Patra**  
Principal Engineer, Global Foundaries  
**Topic: Analog VLSI**  
**Schedule: 08-07-2021**  
**10:30 – 11:30am Forenoon**

Dr. Pravaranjan Patra completed his B.Tech degree in Electronics & Telecommunication Engineering from Odisha and Masters degree in Analog VLSI from NIT Tiruchirappalli. He also received Ph.D degree from IIT Hyderabad in the stream of VLSI. He has publications in reputed International Journals and Conferences. Currently he is working as a principal engineer at Global Foundaries, Hyderabad, India.

**Dr. Surya Prakash Singh**  
Asst. Prof, IIT, Bhubaneswar  
**Topic: Research Trends in Microwave  
and Millimeter Wave sensors**  
**Schedule: 08-07-2021**  
**02:00 – 03:00pm Afternoon**

Dr. Surya Prakash received his B.Tech and M.Tech degrees from Uttar Pradesh Technical University and Indian Institute of Technology (Banaras Hindu University) Varanasi, respectively. He received Ph.D degree in Electrical Engineering with specialization in RF and Microwave from Indian Institute of Technology Kanpur. Currently he is working as an Assistant Professor in the department of Electronics and Telecom at International Institute of Information Technology Bhubaneswar. His research interests include Microwave and Millimeter wave sensors for material characterization and imaging, Terahertz spectroscopy and non-destructive testing of materials. Terahertz imaging techniques for biomedical applications, Efficient guiding mediums at terahertz frequency, Frequency selective structures

## SCHEDULE OF FDP:

**TITLE: "RESEARCH TRENDS IN VLSI, COMMUNICATIONS & SIGNAL PROCESSING"**

**DATES: 08/07/2021 TO 10/07/2021.**

<b>Day 1 (08/07/2021) (Thursday)</b>		<b>Day 2 (09/07/2021) (Friday)</b>		<b>Day 3 (10/07/2021) (Saturday)</b>	
<b>SESSION I</b>	<b>SESSION II</b>	<b>SESSION III</b>	<b>SESSION IV</b>	<b>SESSION V</b>	<b>SESSION VI</b>
<b>Inauguration:</b> 10:00AM-10:30AM	02:00PM-03:00PM	10:00AM-11:00AM	02:00PM-03:00PM	10:00AM-11:00AM	02:00PM-03:00PM
10:30AM-11:30AM					
<b>Guest Speaker:</b> Dr. Pravaranjan Patra, Principal Engineer, Global Foundaries	<b>Guest Speaker:</b> Dr. Surya Prakash Singh, Asst. Prof, IIT, Bhubaneswar	<b>Guest Speaker:</b> Dr. R. Date: 15/07/2021

## PROGRAM REPORT

**Name of the program:** A Three days Online FDP on "RESEARCH TRENDS IN VLSI, COMMUNICATIONS & SIGNAL PROCESSING"

**Organized By:** Department of Electronics and Communication Engineering

**Date(s):** 08/07/2021 to 10/07/2021

**Resource Persons:**

1. Dr. Pravarajan Patra, Principal Engineer, Global Foundaries
2. Dr. R. Sanjay Asst Prof, VIT University, Vellore
3. Dr. Vineeth Palliyembil Asst. Prof, Amrita Vishwa Vidhyapeetham, Coimbatore
4. Dr. Pradeep Narayanan Assistant Professor, Grade – I VIT University, Vellore
5. Dr. Hariharan Subramaniyam Assoc. Prof, VIT University, Vellore
6. Dr. Surya Prakash Singh Asst. Prof, IIIT, Bhubaneswar

### **Objectives:**

The objectives of this FDP program is

- To provide theoretical and practical background on most recent developments in field of Communication Systems, Signal Processing and VLSI design to the participants.
- To aim in bringing academicians from institute of repute to provide insights through their talks and in depth discussions.

### **About the FDP:**

The faculty Development program is organized with a vision to enhance the technical and practical aspects of fundamental and advanced subjects of Electronics and Communication Engineering which play vital role in making the roots of education stronger. This program is about "RESEARCH TRENDS IN VLSI, COMMUNICATIONS & SIGNAL PROCESSING" 8<sup>th</sup> -10<sup>th</sup> July, 2021 was conducted in association with Department of Electronics and Communication Engineering, BAPATLA WOMEN'S ENGINEERING COLLEGE, BAPATLA.

### **Outcomes:**

- Faculty members enriched their knowledge on the research trends in VLSI, Communications & Signal Processing basics.
- The course aimed at providing comprehensive coverage of most emerging research topics in various fields related to Communication Systems, Signal Processing and VLSI design by using FPGA for Co-Processing as they are not only interrelated but also interdependent.
- Signal processing is a ubiquitous technology which plays the central role in many different areas of applications, e.g., audio, video, image and speech processing, communications, healthcare, automotive safety and surveillance, safety and security of underground pipelines transporting water, oil and natural gas, and many more.
- Typical Signal processing algorithms are computation intensive whereas the VLSI is backbone for fabricating all types of modern Integrated circuits.

**Total Number of participants: 160**

Sessions Photos:

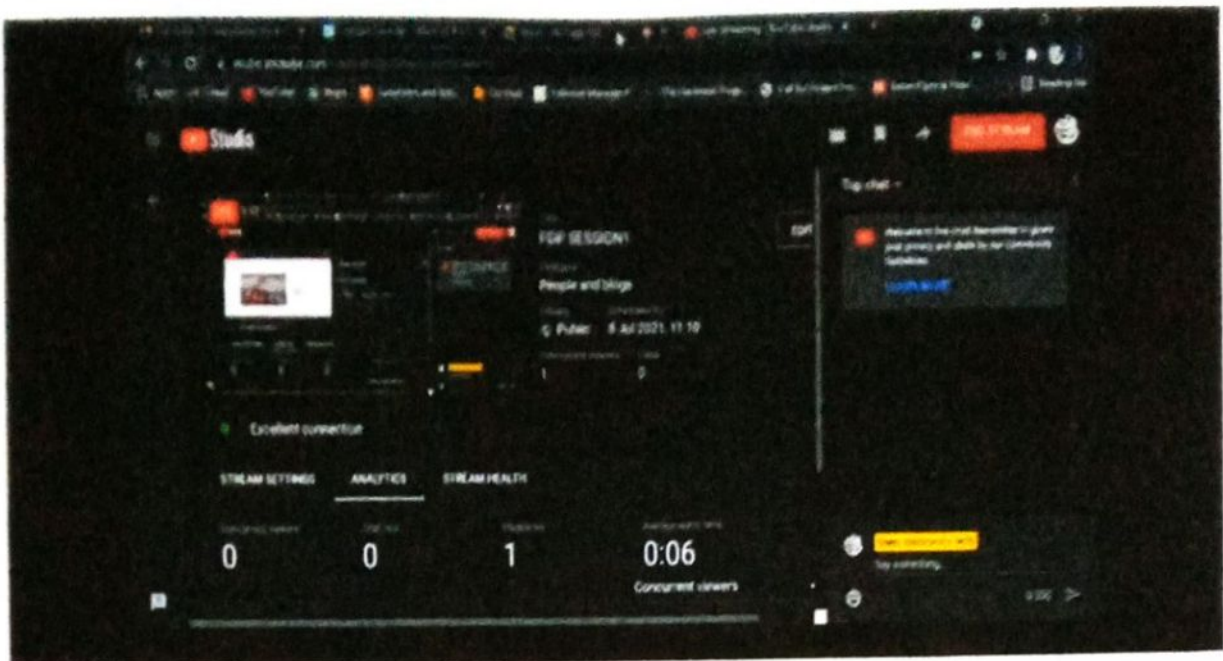

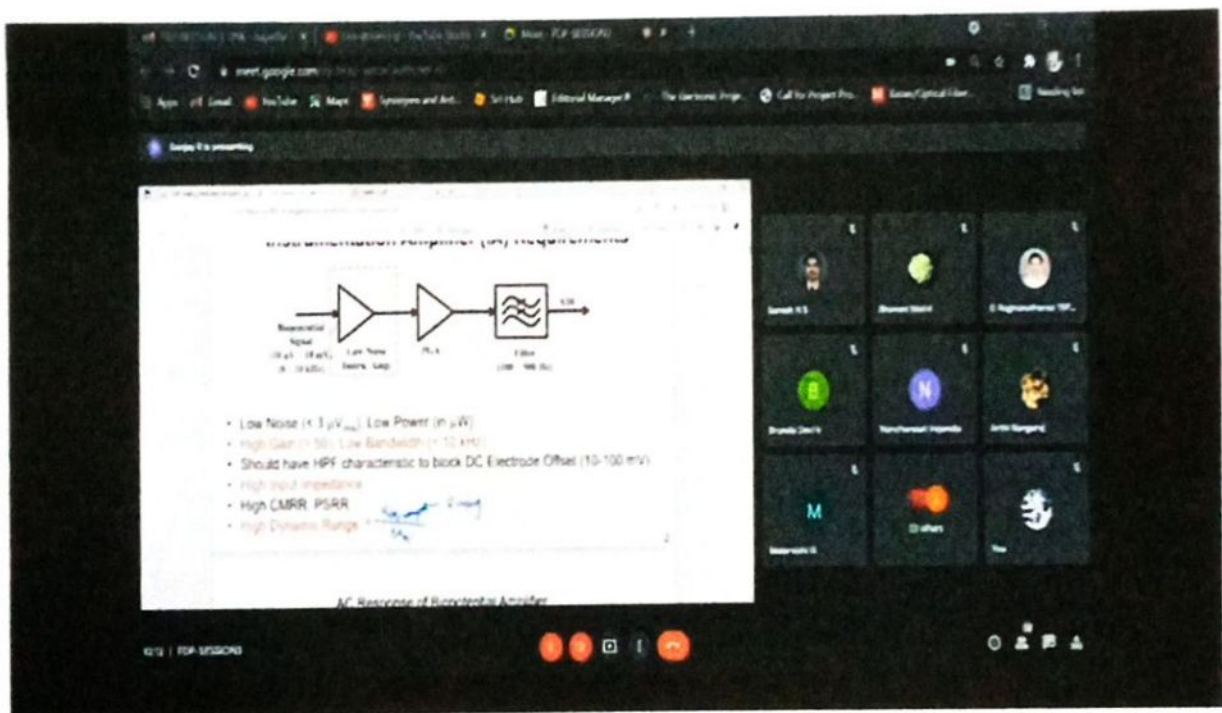

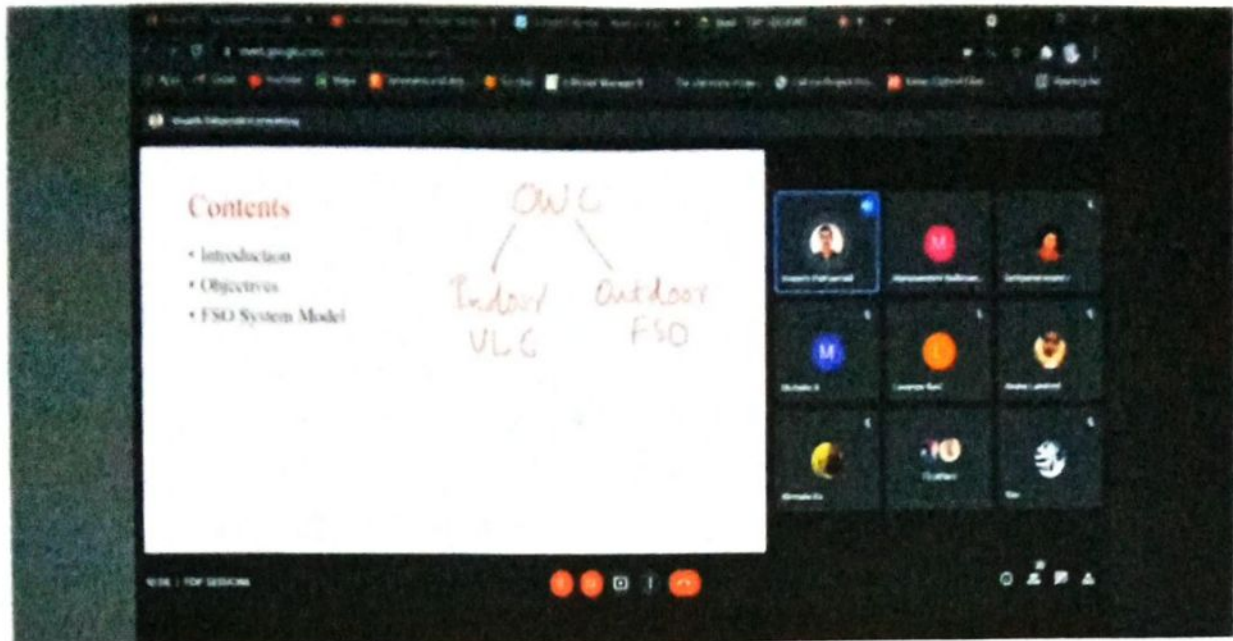

Image showing the G - meet platform configuration..

Resource person Dr. R Sanjay presenting the FDP session on Low- Noise Low - Power Area-Efficient Front-end Circuits for Biomedical Sensor Interfaces. Image showing the resource person explaining on G - meet platform.

Resource person Dr. Vineeth Palliyambil, presenting the FDP session on Performance Analysis of Optical Wireless Communication Systems. Image showing the resource person explaining on G - meet platform.

## ABOUT BWEC

The Bapatla Women's Engineering College, one of the seven educational institutions sponsored by the Bapatla Education Society, was established in 2009 with a vision to impart quality technical education and is affiliated to Acharya Nagarjuna University. The college is located in Bapatla, a town with a historic and hoary past, about 75km. south of Vijayawada on Chennai- Vijayawada rail route. The college offers B.Tech. Programs in 3 disciplines of Electrical and Electronics Engineering, Computer Science & Engineering, Electronics and Communication Engineering.

## VISION

BWEC has been established with forethought to organize the growing needs of higher technical education for WOMEN, in order to provide them a competitive edge and a unique niche in the society. We at BWEC are determined to create a conducive environment with updated technological inputs and latest information to facilitate the students with a pleasant feel in acquiring knowledge and skills required to make them globally competitive technocrats.

## MISSION

M1: Our mission is to impart the quality education on par with global standards to the students from all over India and in particular those from local and rural areas.

M2: We continuously try to maintain high standards so as to make them technologically competent and ethically strong individuals who shall be able to improve the quality of life and economy of our country.

## ABOUT Department

The ECE department was established in the year 2009 with 60 intakes, now it increases to 120. Department has highly qualified and experienced faculty members provide excellent instruction and supervision to the Students. Department has good state of art laboratories are equipped. It emphasizes teaching and research in the areas of design, study, and testing of electronic equipment as well as technological concerns pertaining to computer systems, electronics, and other related industrial fields as well as telecommunications systems.

## VISION

To be recognized by the society at large as a full fledged department, offering quality higher education in the Electronic and communication Engineering field with research focus catering to the needs of the public and staying in tune with the advancing technological revolution and challenging cultural change.

## MISSION

M1: To provide Quality education in the field of Electronics and Communication Engineering through the learning of ethics to its students

M2: To create sound technocrats in professional engineering leading them towards growth and development promoting the academic research & development

M3: To showcase adaptability in fields of technical knowledge through the academic infrastructure based on state of the art along with industry based training

M4: Enable students to develop skills to solve complex technological problems of current times and also provide a framework for promoting collaborative and multidisciplinary activities.

## CHIEF PATRONS

## ABOUT FDP

Professional ethics are a set of standards that are used for making decisions in the workplace. Managers use these standards to clarify decision-making when there are grey areas relating to the topic on hand. The use of ethics prevents professionals from taking advantage of other employees or the company. Employees who are ethical build trust and respect amongst others at the company which can lead to more opportunities within the organization.

Values are our guidelines for our success - our paradigm about what is acceptable. Human behavior depends on the characters defining the identity, choosing the values and establishing the beliefs. Human values include morals, integrity, peaceful life, respecting others, honesty (trustfulness and trustworthiness), caring, kindness, courage, sharing, time management, adjustment (co-operation), self-confidence, commitment, spirituality and Service-learning a teaching method which combines community service with academic instruction as it focuses on critical, reflective thinking and civic responsibility.

## OBJECTIVES

1. To orient teachers towards Developing essential attributes like ethics, communication in each course through appropriate tools.
2. To Develop activities related to ethics, values and communication skills
3. To Integrate these attributes in the teaching and administrative learning process so that the program outcome is attained.

## RESOURCE PERSONS

1. Dr. Suneel Murtyala, M.Tech, Ph. D  
Associate Professor  
Department of ECE  
Bapatla Engineering College, Bapatla.
2. M. Bhavani M. Tech,  
Assistant Professor  
Department of ECE  
Bapatla Women's Engineering College, Bapatla.

## TARGETED AUDIENCE

All the teaching and non teaching staff of ENGINEERING COLLEGES.

## VENUE

N-302, New Block,  
Department of ECE,  
BAPATLA WOMEN'S ENGINEERING COLLEGE,  
Karlapalem Road, Bapatla - 522101,  
Guntur District, Andhra Pradesh.

## REGISTRATION FEE

FEES-RS 500/-For each Faculty  
Fee Inclusive of Lunch & Tea

## HOW TO APPLY

Faculty can apply through in person through proper format or can apply on spot directly at 9:00 AM onwards on the event starting day.

*"Ethics is the new competitive Environment"*

## PROGRAM REPORT

**Name of the Program:** A One Week Faculty Development Program on "DEVELOPING PROFESSIONAL ETHICS, VALUES AND COMMUNICATION SKILLS"

**Organized by:** Department of Electronics and Communication Engineering

**Resource persons:** 1. Dr. Suneel Miriyala,

Associate Professor,

Department of Electronics and Communication Engineering,

Bapatla Engineering College, Bapatla.

2. Ms. M. Bhavani

Assistant Professor,

Department of Electronics and Communication Engineering,

Bapatla Women's Engineering College, Bapatla.

**Target Audience:** Teaching and Non-Teaching staff

### **Objectives of the Program:**

1. To orient teachers towards Developing essential attributes like ethics, communication in each course through appropriate tools.
2. To Develop activities related to ethics, values and communication skills
3. To Integrate these attributes in the teaching learning process so that the program outcome is attained.

**Outcome of the Program:**

Enhanced competence of participants to design the learner centered activities related to ethics, Values and Communication skills.

**Feedback/suggestions:**

Positive Responses and more such programs are expected

No. of participants: 49

Resource Person Dr. Suneel Miriyala presenting the Faculty Development Program on Professional Ethics and values. Images showing the resource person explaining the Professional ethics, values and their importance.

## ABOUT THE COLLEGE

The Bapatla Women's Engineering College, one of the seven educational institutions sponsored by the Bapatla Education Society, was established in 2009 with a vision to impart quality technical education and is affiliated to Acharya Nagarjuna University. The college is located in Bapatla, a town with a historic and hoary past, about 75km. south of Vijayawada on Chennai-Vijayawada rail route. The college offers B.Tech. Programs in 3 disciplines of Electrical and Electronics Engineering, Computer Science & Engineering, Electronics and Communication Engineering.

## VISION

Bapatla Women's Engineering college has been established with forethought to organize the growing needs of higher technical education for women, in order to provide them a competitive edge and a unique niche in the society. We at BWEC are determined to create a conducive environment with updated technological inputs and latest information to facilitate the students with a pleasant feel in acquiring knowledge and skills required to make them globally competitive technocrats.

## MISSION

**M1:** Our mission is to impart the quality education at par with global standards to the students from all over the India and in particular those from the local and rural areas.

**M2:** We continuously try to maintain high standards so as to make them technologically competent and ethically strong individuals who shall be able to improve the quality of life and economy of our country.

## ABOUT THE DEPARTMENT

The ECE department was established in the year 2009 with 60 intakes, now it increases to 120. Department has highly qualified and experienced faculty members provide excellent instruction and supervision to the Students. Department has good state of art laboratories are equipped. It emphasizes teaching and research in the areas of design, study, and testing of electronic equipment as well as technological concerns pertaining to computer systems, electronics, and other related industrial fields as well as telecommunications systems.

## ABOUT THE PROGRAM

Office management involves the planning, design, implementation of work in an organization and its offices. This includes creating focused work environment, and guiding and coordinating the activities of office personnel to achieve business goals. These activities are evaluated and adjusted to improve and maintain efficiency, effectiveness, and productivity.

The one day training program is about the office management for the non-teaching and administrative staff of this college. Office management is used within various fields, although there are many similarities across the board. Each office management job aspect that sets them apart from the rest.

The objective of this training program is to offer economical, accurate, speedy and timely most efficient clerical services to all the executive departments.
